

Champs Vallée Fundraising Society

Playground Build Update! We are getting close!

First a big thank you to all who have donated so far! Your generosity is appreciated.

Mother nature has been a little hard on us this year, so the build start date is being pushed a week. We hope to break ground *April 30, 2018*. **We are still looking for the following to be donated:**

- **6x6 posts**
- **Concrete**

If you can help with these items, or know a company who may, please contact Derek Giesbrecht at 780 919-1042.

Monetary donations are also still welcome, and we will be sending out a volunteer signup sheet soon for the valuable donation of your time!

We are really looking forward to bringing this playground to our school and community. Thank you again to everyone involved with making this happen!

Sincerely,

Maxine Sloan
